Case No. JFM-02-2505

JOINT MOTION FOR MODIFICATION OF SCHEDULING ORDER

MICROS Systems, Inc., by counsel, and Sagent Technology, Inc., by counsel, file this joint motion for modification of scheduling order, and state as follows:

This _____ entered a scheduling order that stated, inter alia:

Discovery deadline and submission of status report:	December 20, 2003
Requests for admission	January 8, 2003
Dispositive pretrial motions deadline	January 31, 2003.

As a result of delays experienced by both sides in responding to written discovery requests, and the advent of the December holiday/travel season as it impacted the availability of witnesses, the parties have both reasonably been unable to schedule depositions and complete discovery before the December 20 deadline. An additional complicating factor is that a number of the material witnesses are located outside of Maryland, which requires additional effort and planning.

Consequently, the parties are jointly requesting an extension to the schedule, as follows:

Discovery deadline and submission of status report:	March 21, 2003
Requests for admission	April 7, 2003
Dispositive pretrial motions deadline	May 2, 2003

The parties reasonably anticipate being able to conclude their discovery and file appropriate motions by the extended deadlines.

WHEREFORE, the parties jointly respectfully request that this Court extend the current scheduling order as indicated herein.
